Doris,

Thank you for your response.

To review, the following information was included in my request:

-
- List of all contracts awarded by the City of Geneva to Massa Construction between August 1 2008 and June 14 2018, including the budget amount originally listed for each contract.
 - List of all submitted bids, by all companies or entities, for all contracts awarded to Massa Construction, including the the bid amounts and the exact dates all bids were received by the City of Geneva, between August 1 2008 and June 14 2018.
 - List of all total payments paid by the City of Geneva to Massa Construction for all completed contracts between Massa Construction and the City of Geneva, including overages, between August 1 2008 and June 14 2018.
-

Section 89(3) of the Freedom of Information Law provides in part that on request, an agency "shall certify that it does not have possession of such record or that such record cannot be found after diligent search."

As the the City of Geneva has been unable to provide the records that contain the information I am seeking, I would like to request the above certification.

Thank you,
Jim Meaney

Jim,

Please see attached documents. On June 28, 2011, 50/50 sidewalk bids were submitted; On May 21, 2016, WWTP upgrades were submitted. Also, the Firehouse demo work was done inhouse; however, Massa Construction demoed the roof for less than \$10,000 – no contract on file.

Thank you.
